**RULES & REGULATIONS**

Each tosser gets two (2) tosses of the Official Tortilla. The better of the two tosses will be used in final judging by the Toss Judges. The majority of the tossed tortilla (over 50%) must land at the spot measured. Any left over tossed tortilla pieces (under 50%), even if they land in the next county, are valuable only as duck feed.

Tossing style is FREE FORM. Frisbee style, discus style, prayer style, overhand, underhand and backhand are all acceptable. Pairs, teams, propellers, antigravity devices, transporter beams and carrier ducks are not acceptable, unless cleared with the Toss Judges prior to the contest.

Tortilla tossing is open to any, regardless of height, IQ, eyesight or taste.

Decisions of the Toss Judges are final.
