Deming, NM - The Great American Duck Race is back again and we hope you are as excited as we are in celebrating 43 years of community. "Racing to save the day!!" is already racing through our local community and the official logo is kicked off with excitement and collaboration with many events that will share the "local hero" theme in 2022. This year's logo was designed by Jerran Duty and features a small representation of all of the amazing local heroes who step up and save the day for our community every day. After two very difficult years, we want to come together and thank each hero in our community by dedicating the 43rd Annual Great American Duck Race to them.

The theme and logo will be seen throughout this year's festivities, and will be used for judging the Duck Royalty Pageant and the Tournament of Ducks Parade that take place during the weekend's events.

The 43rd Annual Great American Duck Race will be held August 25th - 28th, 2022 at Courthouse Park in Deming, NM.

For more information on vendors applications (including our new local hobbyist), activities, and events, please visit our website: www.demingduckrace.com or call 575-567-3905.
